Urgent: Claims Pended Due to Budget Authority Will Be Released for Adjudication

Attention provider types 32 (Ambulance, Air or Ground) and 54 (Targeted Case Management) providing category 24 (Pass through to Local Governments) services: Due to insufficient Medicaid Management Information System (MMIS) authority and state authority funds, some Nevada Medicaid claims and cost settlements have been pended. The issue is being resolved and the impacted claims will be released for adjudication the week of October 22, 2018. The adjudication of the pended claims will be reported on remittance advices dated November 2, 2018. No action is required by providers.
